Iqra Academy is committed to enabling all students to be successful in their learning and to achieve beyond their expectations. Tutorial support is an essential element in obtaining a holistic view of the student to ensure academic progress. Tutors also understand the importance of their role in the development of the whole student to prepare them for life and work. Tutors will take responsibility for the students in their tutor group, liaising with the students, parents and teachers on a regular basis.

To this end we have timetabled a tutorial period for every day and have doubled up our personal tutors as follows; (All School emails follow the same format).

**Paul Bristow MP visit to Iqra Academy. Paul was very impressed with the School stating;**

*“Great visit to the Iqra Academy. Another Peterborough school thriving after the big return at the start of the month. It was great to hear about the sporting success of the school and the recent student elections. I met and heard about some exceptional young people including two Syrian refugees who have just excelled in their GCSEs”*

Parents Forum “Friends of Iqra’ meetings will be resuming this month. All Parents are invited to join, to have their voice in how our community school should be run and to support and hold to account its senior leaders. This year, Shanaz Shakeel and Ismat Nawaz are taking over the reins from Safura Houghton and will look to arrange future meetings. The Board and I look forward to receiving the Groups feedback and working together for an even brighter future for all our students at Iqra Academy.
